These Baths stand on what was formerly part of the grounds of the celebrated Northumberland House. They occupied nearly three years in building, and involved an expenditure of £30,000. They comprise a large suite of Bath Rooms, having a floor space of about twelve thousand feet, with a smaller suite in a separate but adjacent building for the exclusive use of Ladies; the Cooling Rooms, which are fitted in a most luxurious manner, are surmounted by a lofty dome specially designed to permit free circulation of air, and to ensure perfect ventilation; while the heating and ventilation of the hot chambers have been brought to a state of perfection by a system first introduced by the Proprietors of these Baths, and the whole of the decorations of both Hot and Cooling Rooms have been designed by the most eminent authorities.

ABRIDGED EDITION OF THE FOREIGN OFFICE LIST.—Owing to the urgent need for economy in the cost of all Public Services, representations have been made to the Editors that they should reduce, substantially, the volume of the List, and they have accordingly resolved, by direction of the Secretary of State for Foreign Affairs, to expunge numerous sections that have for many years been incorporated in the volume. They have adopted this course with great regret, feeling that the withdrawal of these various subsidiary sections cannot but diminish the usefulness of the work. They venture to hope, however, that the abridged edition as now issued will still contain all information that is vital in regard to the Foreign Office and to the various Overseas Services under its control. A statement of the sections now withdrawn will be found on page vii, and the question of issuing such sections as a separate Manual, which would not be liable to revision every year, is under serious consideration.

With regard to the Statement of Services, it will be observed that particulars have, for the most part, only been retained of those persons who are now actually serving under the Foreign Office. In the case of other persons whose direct connection with the Foreign Office or the Diplomatic and Consular Services has ceased, reference is given to the previous Edition, in which full particulars of their service may be found.

DATE OF PUBLICATION.—Prior to the War the Foreign Office List was generally published in the early part of March in each year. During the War, however, and for one or two years subsequently, it was not found possible to issue it until a date considerably later, owing to various unavoidable difficulties with which the Editors and publishers had to contend. It has been represented to the Editors, however, that the usefulness of the List would be much increased were it to be published as early in the year as possible, and an effort will accordingly be made to secure that it shall be issued some time in January, instead of in March as hitherto. On this account, it will not be possible to include information that comes to hand after the beginning of November in the previous year.

Further information received after November 1, 1921, up to the date of going to Press will be found on page vi.

The Editors would be glad to be informed of any errors and omissions that may be discovered by persons using the List. Such information and all other communications intended for them should be addressed "The Editor, F.O. List, c/o The Chief Clerk's Department, Foreign Office, London, S.W. 1."

THE EDITORS.

## FLAGS TO BE USED BY DIPLOMATIC AND CONSULAR OFFICERS.

The usual size is as follows :—

For use on shore	... ..	8 breadths, i.e., 12 feet by 6 feet.
For use on shore when specially ordered	... {	4 breadths, i.e., 6 feet by 3 feet.
		12 breadths, i.e., 18 feet by 9 feet.
For use on boats	... ..	3 breadths, i.e., 4 feet 6 inches by 2 feet 3 inches.
For use on board ship	... ..	8 breadths, i.e., 12 feet by 6 feet.

The flag to be used by His Majesty's Diplomatic Servants, Ministers Plenipotentiary, Chargés d'Affaires, &c., whether on shore or embarked in boats or other vessels, is the Union, with the Royal Arms in the centre thereof, on a white shield, surrounded by a green garland.

The flag to be used by His Majesty's Consular Officers *ashore*, to distinguish their residences, is the Union, with the Tudor Crown in the centre thereof, on a white shield.

The flag to be used by His Majesty's Consular Officers, *when embarked in boats or other vessels*, is the Blue Ensign, with the Royal Arms in the centre of the fly thereof—that is, in the centre of that part between the Union and the end of the flag. The Consular Blue Ensign, being a personal distinguishing flag, must be flown at the bow, and not at the stern, which is the accepted position for the national colours. No further flag is necessary, but if for some special reason it is desired to fly a flag at the stern, this should be the Red Ensign.

The distinguishing Flags to be used by Diplomatic and Consular Officers when afloat were approved by Order in Council of August 7, 1869—see below.

## ORDER IN COUNCIL, RESPECTING UNION JACKS AND OTHER FLAGS DISPLAYED BY BRITISH DIPLOMATIC, CONSULAR, AND OTHER AUTHORITIES. AUGUST 7, 1869.

Whereas there was this day read at the Board a memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 31st July, 1869, in the words following, viz. :—

"The Union Jack having been established by your Majesty's Regulations for the Naval Service as the distinguishing flag to be borne by the Admiral of the Fleet; and whereas great inconvenience has at times been experienced by the Union Jack having been carried in boats and other vessels by Governors of Colonies, Military Authorities, Diplomatic Officers, and Consular Agents, when embarked, we have deemed it expedient to place ourselves in communication on this subject with the Commander-in-Chief of your Majesty's Forces and the Principal Secretaries of State for Foreign Affairs, for the Colonies and for War, and with their concurrence we most humbly submit that your Majesty may be graciously pleased by your Order in Council to prescribe and direct that in future the Union Jack to be displayed by the military branch of your Majesty's Service on such occasions shall bear in the centre thereof, as a distinguishing mark, the Royal initial, surrounded by a garland on a blue shield, and surmounted by the Crown; that the Union Jack to be used by your Majesty's diplomatic servants, Ministers Plenipotentiary, Chargés d'Affaires, &c., shall bear the Royal Arms in the centre thereof, on a white shield; whilst Consuls and Consular Agents, &c., shall be limited to the use of the blue ensign, with the Royal Arms in the fly thereof; we further submit that Governors of your Majesty's dominions in foreign parts, and Governors of all ranks and denominations administering the Governments of British colonies and dependencies, be authorized to fly the Union Jack, with the arms or badge of the colony emblazoned in the centre thereof.

"A drawing of the Union Jack, with the proposed distinguishing devices, is transmitted herewith for your Majesty's approval."

Her Majesty, having taken the said memorial into consideration, was pleased, by and with the advice of her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty, the Right Honourable the Earl of Clarendon, the Right Honourable the Earl Granville, the Most Noble the Duke of Argyll, and the Right Honourable Edward Cardwell, are to give the necessary directions herein accordingly.

### Countries other than China, Japan, and Siam.—Ch. VI. § 7 of General Consular Instructions.

Travelling allowances, as specified below, are paid to salaried Consular officers not engaged in trade.

Consular officers engaged in trade are not entitled to travelling allowances. If a "trading officer" does not avail himself of the permission to trade, he must accompany his application for a travelling allowance with a declaration to that effect.

- (a.) On first appointment, or on transfer, the officer is paid the whole of his travelling expenses to his post, and of those of his family, the number being limited to five persons besides himself, of whom one may be a servant. In addition to this payment he is granted an allowance of 1l. a-night, for subsistence and hotel expenses, whilst on his journey, and 10s. a-night for each member of his family as above limited, except in passages by sea in which subsistence is included in the passage money, when he receives only a fixed wine allowance of 3s. 6d. a-day, or of

An officer transferred while on leave of absence is paid similar expenses from London, if he is in the United Kingdom, or from such place as he is in outside the United Kingdom, to his new post if, in the discretion of the Secretary of State, the circumstances justify such a course.

No charges in connection with luggage will be admitted, except in districts where no railways are available, but, in order to defray the general cost of removal, an allowance of one-half of the fare will be made for the officer himself and one-half\* in the case of his wife; one-quarter\* of the fare will also be allowed for each other member of his family within the limit of five.† This allowance will be calculated on the minimum first-class fare payable, whether on board ship or by train, or on the second-class fare in the case of a servant.

\* Full fares and one-half fares respectively in journeys by land.—See Amendment following.

† On attaining the age of 16 years, sons of Consular officers cease to be considered as members of the Consul's family as regards the payment of travelling expenses (Circular, July 15, 1918).

PASSAGE ALLOWANCES (*Consular*)—continued.

- (*Amendment of 1914*). In the case of journeys by land this allowance will be raised to a full minimum fare for the officer himself and also for his wife, and to one-half fare for each other member of his family within the limit of five.
- (b.) On returning home on leave of absence after a continuous residence of 30 months (or of 24 months in the case of posts pronounced unhealthy for purposes of leave\*) he is paid one-half of his own travelling expenses, including the carriage of purely personal luggage, and one-third of those of his family, the same limitation being observed in regard to numbers as that given in the preceding paragraph;† and he is paid a similar proportion of the expenses of his return journey from England on the expiration of his leave. He is not paid subsistence money or wine allowance.
- (*Amendment of 1915. Special arrangements in the case of Consular officers serving on the West Coast of Africa.*) Period of service necessary to qualify a Consular officer for repayment of half personal travelling expenses reduced from 24 months to 12 months, and proportion of travelling expenses of family repayable from public funds increased from one-third to one-half.
- (c.) In case of leave of absence on the ground of ill-health a proportion of the expenses of his journey, similar to that specified in the preceding paragraph, may be granted at the discretion of the Secretary of State. This grant is not made unless the application for leave of absence is supported by a trustworthy medical certificate.
- The authorized grant may be made to wives returning with their families on account of ill-health, although unaccompanied by their husbands; but applications for payment must be supported by a medical certificate.
- (d.) In the case of a voyage by sea formal application must be made to the steam-ship company for any reduction of fare which may be available for official passengers.
- (e.) Consular officers employed on special duty under the authority of the Secretary of State will receive payment of their travelling expenses, which may include either the actual cost of their maintenance or an allowance of 1*l.* a-night, according to circumstances, as the Secretary of State may determine.
- (f.) If conveyed in a British man-of-war the Consular officer must pay at the time for his entertainment, taking a receipt for the amount, and recoup himself subsequently.
- A Consul-General or Consul is entertained at the Captain's table at the rate of 1*l.* 1*s.* a-day for the first fourteen days, and of 1*s.* subsequently. A Vice-Consul is entertained at the ward-room mess at the rate of 1*s.* for the first fourteen days, and of 9*s.* subsequently.
- No gratuities to the crews of His Majesty's ships or to any Government servants can be charged to public funds.
- (g.) A detailed statement of expenses on account of journeys, accompanied by the necessary vouchers, stating separately the amounts paid on the officer's own account and on that of his family, must be forwarded in duplicate to the Secretary of State in an unnumbered despatch of the Consular series, on receipt of which the amount, if found correct, will be paid to his agent in England. If he has no agent he will receive authority to charge it in his account current.
- Charges for luggage on journeys on leave and other miscellaneous expenditure which cannot be strictly apportioned between the officer and his family must be divided as follows:—one half for the officer and the other half for his family. Vice-Consuls forward their claims through their superintending Consuls.
- (h.) Government is not responsible for loss or damage of baggage or effects of Consular officers, even while travelling on duty.

*Consular Service in China, Japan, and Siam.—Ch. XXXVI of General Consular Instructions.*

1. An officer on a first appointment to China, Japan, Corea, or Siam shall be paid the whole of the expense of the passage for himself alone, and the third of the expense for his wife and family;‡ the number being limited to five persons besides himself, of whom one may be a female servant. These payments will be made by the Foreign Office on production of the tickets for the passage.
2. On returning home on regulation leave of absence such officer shall be paid one-half of the expense of his own passage, and one-third for his family, the same limitation being observed in regard to numbers as in section 1. In this case the payments will be made in the country of the establishment to which he belongs, under the authority of His Majesty's Diplomatic Representative, who will take care to notify all particulars to the Foreign Office.
3. A similar indulgence shall be granted in cases of leave of absence obtained at any time on sick certificate.
4. This arrangement will also be applied to all cases of officers returning from England to the Far East.
5. A person removed from one post to another for the public convenience, and a person directed to proceed from one post to another on the public service, or for the purpose of supplying temporarily the place of an absent person, will be allowed such amount of expenses of going and returning as His Majesty's Diplomatic Representative on presentation of an account accompanied by vouchers, shall deem reasonable. The expense of the entertainment of Consular officers on board ships of war should, when practicable, be paid for at once by the officer to whom it is afforded, and the Diplomatic Representative will authorize the repayment of such expense from Consular funds in any case in which the officer so entertained has been received on board on public grounds.

\* See list, page 123.

† On attaining the age of 16 years, sons of Consular officers cease to be considered as members of the Consul's family as regards the payment of travelling expenses (Circular, July 15, 1913).

URUGUAY.—67 and 68, Chancery Lane, W.C. 2.

Passengers travelling 1st class require *visa* of Uruguayan Consul-General; others must have a "certificate of good conduct and fitness for work," signed by some person of authority. Certificates may be obtained on application at the Consulate-General.

Persons who have not resided for a period of two years in Uruguay must obtain a permit from the Immigration Authority in Buenos Aires before they may enter the Argentine Republic. Persons travelling to Argentina via Montevideo should obtain Argentine *visa* before leaving the United Kingdom.

VENEZUELA.—104, High Holborn, W.C.

#### (b) BRITISH DOMINIONS, Etc.

*British subjects* travelling to any part of the British Dominions, India, &c. (except Canada, see Note below) must be in possession of valid Passports.

**Empire Wide Passports.**—Passports endorsed as valid for the British Empire are also available for travelling to territory under British protection or mandate, not, however, including Palestine, Mesopotamia or Egypt, for which countries the Passports must be specially endorsed.

Passports valid for travelling within the British Empire do not exempt the holder from compliance with the Immigration Regulations in force in the various countries. Passports issued prior to the 1st January, 1921, can upon presentation at the Passport Office for renewals or endorsement be made valid for travelling within the Empire.

**Note.**—Canada.—Passports are not required for landing in Canada, but British subjects proceeding to that Dominion who intend subsequently to travel elsewhere or to return to the United Kingdom should provide themselves with Passports before departure.

**New Zealand.**—All persons not of British birth and parentage, and all coloured persons, although British subjects, must obtain a special permit from the Minister of Customs, Wellington, before being allowed to land in New Zealand.

#### SPECIAL REGULATIONS.—BRITISH OCCUPIED TERRITORY.

To visit any place within German territory occupied by the British Armies, a British subject only requires his Passport endorsed by the Passport Officer permitting him to enter this area.

For all territory in British Military Occupation other than Germany a Military Permit is required from the Military Permit Office, 1, Lake Buildings, St. James's Park, S.W. 1, and must be stamped on the Passport before departure.

#### VALIDITY OF PASSPORTS.

A Passport is valid for two years from date of issue, and can be made available for any countries to which the holder is likely to travel during this period.

It can be renewed for four further periods of two years, provided there is sufficient space for further *visas*; but where the Passport contains no further space for *visas*, application must be made for a new Passport.

#### ENDORSEMENT AND *VISA* OF BRITISH PASSPORTS.

During the validity of a Passport, no further endorsement by the Passport Office is required for further journeys to the countries for which the Passport has already been made available by British Passport Authorities. The *visa* of the Consular Representative of the country to which the bearer is travelling is required for each journey, except where a continuing *visa* has been obtained.

For journeys to countries other than those already named on the Passport, the endorsement of the Passport Office should be obtained.

British subjects returning to the United Kingdom do not, under British Regulations, require any British *visa*, but where such *visa* is required in order to comply with the regulations of a Foreign Government, it can be given free of charge by any salaried British Consular Officer.

#### APPLICATION FORMS (BRITISH SUBJECTS).

The following forms of application are in use, and are obtainable direct from the Passport Office, or from Banks, Shipping Agents, &c., in London or the Provinces:—

Form A.—Application for new Passport by adult (fee 7s. 6d.).

Form B.—Application for new Passport for child under age of 16 (fee 7s. 6d.).

Form D.—Renewal of Passport issued after 1st February, 1915 (fee 2s. for each period of two years).

**NOTE.**—Not less than two clear days' notice should be given for all applications for the issue, endorsement, or renewal of Passports.

British subjects resident in Ireland must make their applications through the Under-Secretary, Passport Department, Dublin Castle, Ireland.

## VISA OF ALIEN PASSPORTS.

Aliens travelling from the United Kingdom to any part of the British Dominions, India, Egypt, &c. (including Canada), must have their Passports vised by the British Passport Office, London. Ten days' notice should be given.

The charge for *visas* is calculated on the value of the gold franc, and will vary slightly according to the rates of exchange. Applicants for the ordinary *visa* should forward 12s. and for the transit *visa* 1s. The difference, if any, between the actual fee and the amount advanced will in all cases be refunded.

## PRECEDENCE OF DIPLOMATIC AGENTS.

**REGULATIONS annexed to the VIENNA CONGRESS TREATY, of June 9, 1815.**

In order to prevent the inconveniences which have frequently occurred, and which might again arise, from claims of precedence among different Diplomatic Agents, the Plenipotentiaries of the Powers who signed the Treaty of Paris have agreed on the following Articles, and they think it their duty to invite the Plenipotentiaries of other Crowned Heads to adopt the same regulation:—

**ARTICLE I.**—Diplomatic Agents are divided into three classes:—That of Ambassadors, Legates, or Nuncios; that of Envoys, Ministers, or other persons accredited to Sovereigns; that of *Chargés d'Affaires* accredited to Ministers for Foreign Affairs.

**II.** Ambassadors, Legates, or Nuncios, only, have the representative character.

**III.** Diplomatic Agents on an extraordinary mission have not, on that account, any superiority of rank.

**IV.** Diplomatic Agents shall take precedence in their respective classes, according to the date of the official notification of their arrival. The present Regulation

shall not cause any innovation with regard to the Representatives of the Pope.

**V.** A uniform mode shall be determined in each State for the reception of Diplomatic Agents of each class.

**VI.** Relations of consanguinity, or of family alliance between Courts, confer no precedence to their Diplomatic Agents. The same rule also applies to political alliances.

**VII.** In Acts or Treaties between several Powers which grant alternate precedence, the order which is to be observed in the signatures shall be decided by lot between the Ministers.

The present Regulation is inserted in the Protocol of the Plenipotentiaries of the Eight Powers who signed the Treaty of Paris at their sitting of the 19th March, 1815.

Signed in the alphabetical order of the Courts by the Principal Plenipotentiaries of Austria, (Espagne) Spain, France, Great Britain, Portugal, Prussia, Russia, Sweden.

**Protocol of Conference of the Five Powers. Aix-la-Chapelle, November 21, 1818. (Ministers Resident.)**

In order to avoid inconvenient discussions which might in future arise upon a point of Diplomatic Etiquette, which appears not to have been anticipated in the Annex to the Treaty of Vienna, whereby questions of precedence were regulated, it is agreed between the

Five Courts, that Ministers Resident accredited to them shall form, with respect to their precedence, an intermediate class between Ministers of the Second Class and *Chargés d'Affaires*.

**PRECEDENCE between CONSULAR OFFICERS and NAVAL and MILITARY OFFICERS.**

The comparative precedence of Consuls and of Officers in His Majesty's Naval and Military Services is as follows:—

Agents and Consuls-General or Commissioners and Consuls-General rank with, but after, Major-Generals, and with, but after, Rear-Admirals, except in the cases of the Agents and Consuls-General in Egypt and Zanzibar,\* who, occupying positions similar to those of Governors, take precedence of all Flag Officers. (See King's Regulations and Admiralty Instructions, Art. 98, Clause (a).)

Consuls-General rank with, but after, Brigadiers and Commodores.

Consuls rank with, but after, Colonels; and Captains

of the Royal Navy of three years' standing, and before all other such Captains.

Vice-Consuls rank with, but after, Majors; and Lieutenants, R.N., of eight years' standing.

Consular Agents rank with, but after, Captains in the Army; and Lieutenants, R.N., of less than eight years' standing.

Consular Officers take precedence amongst their colleagues in their respective grades according to the dates of the issue of their exequaturs.

**PRECEDENCE between MEMBERS of the DIPLOMATIC SERVICE and NAVAL, MILITARY and AIR OFFICERS attached to EMBASSIES and MISSIONS Abroad.**

- (i.) Naval, Military and Air Attachés at His Majesty's Embassies and Missions abroad, irrespective of their rank, have Place and Precedence next in succession after the Diplomatic Counsellor, but before the Commercial Counsellor, or, at posts where the Staff does not include a Diplomatic or a Commercial Counsellor, next in succession after Diplomatic 1st Secretaries, but before Commercial Secretaries, 1st Grade.
- (ii.) Assistant Naval, Military and Air Attachés at His Majesty's Embassies or Missions abroad, irrespective of their rank, have Place and Precedence next in succession after Diplomatic 2nd Secretaries, but before Commercial Secretaries, 2nd Grade, excepting at posts where such Assistant Attachés are the only resident Naval, Military or Air representatives, in

which case their Place and Precedence will be governed by the provisions of paragraph (i) above as though they held substantive appointments.

- (iii.) Excepting in the cases provided for above, Commercial Counsellors and 1st, 2nd and 3rd Grade Secretaries in His Majesty's Commercial Diplomatic Service will rank respectively with, but after, Diplomatic Counsellors and Diplomatic 1st, 2nd and 3rd Secretaries.

- (iv.) It is to be clearly noted, however, that, notwithstanding the above provisions, the charge of any of His Majesty's Embassies or Missions abroad will invariably devolve upon the Senior Diplomatic Member of the Staff, unless other arrangements are specially authorized by the Secretary of State.

## PROPERTY OF HIS MAJESTY'S GOVERNMENT.

### (Embassies and Legations.)

#### RULES AND REGULATIONS AS TO THE OCCUPATION AND MAINTENANCE OF EMBASSY AND LEGATION HOUSES, THE PROPERTY OF, OR LEASED BY, H.M. GOVERNMENT.

The following Rules and Regulations in regard to the occupation, use, and maintenance of lands, buildings, furniture, &c., held by H.M. Government in foreign countries for the use of the Diplomatic Service, are issued under the joint authority of the Secretary of State for Foreign Affairs and of the First Commissioner of H.M. Works and Public Buildings.

#### GENERAL.

##### *Definition of Word "Mission."*

1. For the purpose of these Rules the word "Mission" will be used indiscriminately, whatever may be the class of the Mission, and the Chief of the Mission will be styled Minister, whether his official title be that of Ambassador, Minister, or Chargé d'Affaires. A list of the establishments which come under these Regulations is given in Appendix (A), page 113.

##### *Responsibility of Chief of a Mission.*

2. The Chief of a Mission for the time being is, unless otherwise specially arranged, to be deemed the officer in charge thereof. He will be responsible for such charge in the manner prescribed in these Rules, and, on entering into occupation, he will be required to sign an agreement in the form shown in Appendix (B), page 114.

##### *Inventories of Furniture, &c., to be kept.*

3. At each Mission are to be kept inventories of the furniture and other properties belonging to H.M. Government, and copies of all instructions and rules relating to the management of the same. Duplicate copies of such documents will be retained in the Office of Works.

##### *Survey of Buildings and Furniture to be made from time to time.—Damages, &c., to be made good.*

4. From time to time, and, if possible, on every change of occupation, the First Commissioner of Works will cause a survey of the buildings and

furniture to be made by a duly appointed officer of his Department. Such officer will take note of any deficiency, misuse, or waste of Government furniture or other property, in order that the cost of replacing any missing article, or of making good any damage or defect arising from neglect, or unfair or improper usage, may be recovered from the Minister. (See also Rules 25 and 26, pages 112 and 113.)

##### *Survey on Change of Occupation.*

5. The survey on change of occupation will, whenever possible, be made as soon as the outgoing Minister has removed his private property from the Mission. Until the survey has been made, the outgoing Minister must retain in charge of the house some servant or other person, responsible to him, who may represent him when the survey is made. The incoming Minister should also be either present or represented at the survey, and he or his representative should sign the inventories and take charge of the house as soon as the survey is completed. Ministers should communicate directly with the Office of Works as to the details of these arrangements.

##### *Decision of Office of Works on all matters relating to Maintenance, &c., of Government Property. Appeal to Foreign Secretary. Treasury Decision, if appealed to, to be final*

6. The First Commissioner of Works shall, after consultation with the Minister when necessary, decide all matters relating to the maintenance and due preservation of the Government property before described, and to the expenditure of moneys thereon from the Vote administered by the First Commissioner. If, however, the Minister should be dissatisfied with the decision of the First Commissioner, it shall be open for him to appeal therefrom to the Secretary of State for Foreign Affairs. Should the Secretary of State concur with the decision of the First Commissioner, such decision shall be treated as final and conclusive. In the event of the Secretary of State dissenting from the decision of the First Commissioner, the matter in

## (Embassies and Legations.)

dispute shall be referred to the Lords Commissioners of the Treasury, whose decision thereon shall be recognised as final and conclusive by all the parties concerned.

*Present permanent Official Residences deemed complete.—*  
*Minister held Responsible for any Alterations or Additions without previous sanction.*

7. The present permanent official residences shall be deemed complete and suitable in all respects for the reception of the Ministers appointed to occupy them, and no alteration or addition of any kind whatsoever to buildings, fittings or furniture will be paid for by the Office of Works unless such alteration or addition shall have been previously approved of by the First Commissioner. Should any alterations or additions be made without such approval, the Minister making them will be responsible, not only for the expense of the alterations or additions, but also for any expense which may be thought necessary by the First Commissioner for restoring buildings, fittings, or furniture to their original state.

*Structural Repairs when required by urgent necessity.*

8. In cases where structural repairs have been ordered by the Minister without the previous sanction of the First Commissioner the onus of proving urgent necessity rests upon the Minister (see also Rule 16, on this page).

*Requisitions for Erection, &c., of Buildings, or for Purchasing of Property, &c.*

9. All requisitions for the erection of buildings, or for works connected therewith, for purchases of property, and for purchases of furniture, are to be sent immediately the necessity arises to the Office of Works. Proposals involving large expenditure should be sent so as to reach that Department in London before the 1st September, so that, if approved by the First Commissioner, there may be time to submit them to the Treasury for consideration with the annual Estimates for the following year.

*Precautions to be taken against Fire.*

10. Ministers are to use all reasonable precautions against fire, and when fire-engines or other appliances are supplied, they are to satisfy themselves that they are examined from time to time, and, if necessary, worked, in order to ascertain that they are in an efficient state.

*Responsibility of the Chargé d'Affaires in event of death of a Minister.*

11. In the event of the death of a Minister or other vacancy in the post the Chargé d'Affaires will be responsible to H.M. Government for the proper custody of Government property. He should at once report to the First Commissioner the arrangements which he makes for this purpose, and should apply for his sanction to any expenditure that it may be

necessary to incur pending the appointment of the new Minister.

In such circumstances the cost of heating, lighting and caretaking in the residential portion of the building will be defrayed by the Office of Works, but no liability will be accepted for any charge of this nature connected with the Chancery or offices. Expenditure necessary to keep the garden in order, such as the cost of labour, will be defrayed by the Office of Works, but application for the supply of implements, such as lawn-mowers and hose, will not be entertained.

*Care of Residences in case of there being two.*

12. At Missions where two official residences exist, as at Constantinople, Tehran, and Peking, the care of the residence that may be unoccupied, as well as of the Government furniture that may be therein, will devolve upon the Minister, but the caretaker's wages will be paid by the Office of Works.

*Holding of Auctions upon Government Premises Forbidden.*

13. The holding of auctions of private effects in or upon Government premises is strictly forbidden.

## BUILDINGS AND GROUNDS.

*Maintenance of Fabric of Buildings, &c.*

14. The fabric of all Government buildings, with the permanent fixtures attached thereto, the boundary walls, entrance gates and approaches, will be kept in an efficient state of repair by the Office of Works.

*External Painting and Internal Papering, &c.*

15. Periodical painting and colouring externally, and papering, painting, colouring, &c., internally, will be done by the Office of Works. External painting will, as a rule, not be executed more frequently than once in every three or four years; nor internal painting more frequently than once in every seven years. Painting at shorter intervals than these will not be paid for by the Office of Works unless specially authorised beforehand by the First Commissioner, who must be satisfied that the need for it has arisen only from fair wear and tear.

*Damage by Storm, Fire, &c.*

16. In case of damage by storm, fire, or other casualty, the expense of restoration will be borne by the Office of Works, provided the Minister can show to the satisfaction of the First Commissioner of Works that the damage was in no way due to neglect of proper precautions. In such cases the Minister may order urgent repairs to be executed at once; but where the damage is extensive, and the outlay required will be large, he is, if possible, to obtain an estimate of the cost of repairing the damage, and to submit it to the First Commissioner before ordering any but the most indispensable repairs.

*(Embassies and Legations.)*

*Renewal of Fittings and Fixtures, Petty Additions and Alterations and Ordinary Cleaning.*

17. The cost of renewing fittings and fixtures, worn out by fair wear and tear, will be borne by the Office of Works, as well as the cost of petty household repairs. Petty additions and alterations, however, effected by the Minister without authority will, under Rule 7, not be paid for by the Office of Works. The Minister must himself defray the cost of ordinary and periodical cleaning, including the sweeping of chimneys, the cleaning of kitchen flues and boilers, and of tanks and cisterns.

*Warming, Lighting, and Supply of Water.—Supply of Fuel, Electric Current, Gas and Water.*

18. As regards warming, lighting, and the supply of water, the Office of Works, under the foregoing Rule, will provide, maintain, and repair the necessary apparatus and fittings; but, except at Missions where such payments are specially provided for, the Minister will be required to bear all charges for the actual supply of fuel, electric current, gas, and water.

*Maintenance of Gardens and Pleasure Grounds.*

19. The Minister will defray all expenditure necessary for the care and maintenance in good order of gardens and pleasure grounds, except at Bangkok, Cairo Residency, Christiania, Constantinople, Paris, Peking, Rome and Posilipo, Tehran and Gulhek, and Tokio, where special arrangements are in force. But even at these Missions no portion of the cost of maintaining private enclosures, kitchen gardens, or tennis lawns will be defrayed out of public funds.

19a. No trees except such as are of small size and value may be removed, nor may alterations be carried out in the grounds which are likely to increase the cost of maintenance, without the precedent sanction of the First Commissioner of Works.

*Disinfection of Premises.*

20. Whenever, in consequence of the occurrence of contagious or infectious disease in the household of a Minister, disinfection has become necessary in order to protect the health of the inmates, the Minister will be held responsible for providing that the premises are sufficiently disinfected, and for procuring from a medical officer a certificate that this has been done.

**FURNITURE.**

*In Embassy and Legation Houses.*

21. Embassy or Legation houses which are owned or rented by His Majesty's Government will be furnished at the public expense.

Fire-screens, clocks, table-lamps, candlesticks, chimney ornaments and other decorative articles will not be supplied. Muslin curtains are not ordinarily provided, but they may be supplied when deemed by the First Commissioner or his representative to be necessary for the protection of the silk or other draperies

supplied by the Office of Works. Rugs, other than hearth rugs, are only supplied with a parquet floor or an entirely plain carpet.

Plate, linen, china and glass (other than bedroom toiletware) and articles of domestic equipment, e.g., cooking utensils, are not supplied.

*Movable Articles to be Stamped.*

22. All movable articles belonging to H.M. Government are to be stamped or otherwise marked with the Royal arms, or the Royal cypher, thus G.  R.

Articles supplied in the past will be found marked V  R or E  R.

*Renewal and Repair.—Periodical Cleaning.*

23. The Office of Works, subject to the provisions contained in the two following rules, will bear the cost of renewing and repairing the official furniture at Embassy or Legation houses owned or rented by His Majesty's Government, but the cost of ordinary and periodical cleaning, including the beating of carpets, the cleaning or washing of curtains, holland covers, &c., must be borne by the Minister.

*Old Furniture Replaced by New.*

24. The sanction of the First Commissioner of Works must be obtained before old furniture is replaced by new, and such sanction will only be granted when a reasonable time has elapsed since the articles to be replaced were originally purchased. Old articles, carpets, curtains, &c., must be returned to the Office of Works, or will be sold locally as directed by the First Commissioner.

*Ministers Responsible for Preservation of Furniture and for Repairs of Defects caused by Improper Use.—Damage by Animals, Birds, &c., and by Pictures being on Walls.*

25. Ministers will be held personally responsible for the due preservation of the official furniture, and for the immediate repair, at their personal cost, of defects arising from neglect, or unfair or improper use. It is to be distinctly understood that the Office of Works will refuse to defray the cost of renewing or repairing any article of furniture, carpets, curtains, &c., which may be destroyed or damaged by the keeping of animals, birds, &c., and that all such damage must be completely made good at the sole cost of the Minister. It is also to be understood that pictures are not to be hung, nor brackets, &c., fixed on walls covered with silk or similar material, and that where this rule has been disregarded, any damage caused thereby must be made good by the Minister at his own cost.

*Furniture, &c., not to be Removed without Written Sanction.*

26. Furniture or other Government property is not, without the written sanction of the Office of Works, to be removed from apartments furnished at the public

(Embassies and Legations.)

expense to apartments not so furnished. This prohibition applies equally to the removal of furniture from one Mission house to another. Should this rule be disregarded, and the articles become depreciated in value through being so transferred, or through being stored or otherwise neglected, the Minister will be held personally responsible for the depreciation.

*State Room Furniture provided by the Minister.*

27. In any case where a Minister may himself provide furniture for rooms which he is entitled to have furnished at the public expense, the Office of Works will pay, for the use and wear and tear of the furniture provided by the Minister, an annual allowance calculated at the rate of  $\frac{7}{8}$  per cent. on the sum that the Department estimates it would cost it to furnish the said rooms to the same extent. This allowance is, however, only payable for a period of two years with the consent of the Board of Works. Any extension of this period would only be considered in very exceptional circumstances and must receive the special authority of the Board. (See Appendix C, page 114.)

SERVICES OF SILVER PLATE.

27A. Services of silver plate have been provided at the Missions shown in Appendix (D). The Office of Works will bear the cost of maintenance and repair of these services, but any losses or injuries due to negligence will have to be made good by the Minister.

The plate must be checked with the inventory annually as soon as possible after the 1st January in each year, and a certificate as to its completeness and condition forwarded to the First Commissioner of Works.

ACCOUNTS.

*Accounts to be Rendered Quarterly.—Currency and Rate of Exchange.*

28. As soon as possible after the 30th June, 30th September, 31st December, and 31st March in each year the Minister should render to the Office of Works an account current (in a form which will be provided by that Department) of receipts and payments in the quarter, with supporting vouchers. Care should be taken to include in such account all transactions dealing with receipts and payments which have taken place within the quarter. The amounts should be given in the account in currency, a note of the sterling amount of any Bill of Exchange, and of the rate at which it was negotiated, being inserted in the "Schedule of Sums Received," under the heading "Detail" in the form in question. Should no cash transaction have taken place, an account should be rendered in which the fact should be stated.

*Vouchers.*

29. Where vouchers are made out in a language other than English or French, a brief translation or précis should accompany the voucher.

*Audit.—Amended Accounts.—Items disallowed.*

30. The Minister will be informed immediately after the examination of an account either that its correctness is admitted, subject to any question by the Comptroller and Auditor-General, or that it has been amended. If amended, particulars of the alterations will be given, and the adjustment required by the Office of Works must be forthwith accepted by the

Minister and made in the next account rendered by him. Should the Minister see cause to object to any alterations made by the Office of Works he should represent his views fully to the First Commissioner, who will carefully consider them. But pending his decision the Minister must not take credit in his current accounts for any items of expenditure disallowed by the Office of Works.

*Drawing Bills.*

31. The Minister is to defray charges incurred in accordance with these Regulations, and for this purpose may provide himself with funds by drawing a Bill on H.M. Paymaster-General at three days' sight. He should notify the fact to the Office of Works by post on the day on which the Bill is drawn, and should, with his letter, forward a certificate by a banker or merchant of the rate of exchange.

*Separate Accounts.*

32. Ministers are requested to arrange that tradesmen should not include in bills payable by the Office of Works any items of expenditure payable by the Minister. Separate accounts should be rendered for works ordered by, or on behalf of, the Office of Works, and for works ordered on behalf of the Minister.

*Tradesmen's Accounts to be Rendered Quarterly.*

33. It is very desirable that tradesmen's accounts for work done on behalf of the Office of Works should be rendered regularly at the conclusion of each quarter, and Ministers should use their influence to insure such regularity.

RULES AND REGULATIONS AS TO THE CARE OF THE PROPERTY OF H.M. GOVERNMENT AT THE TREATY PORTS IN CHINA AND JAPAN.

THE Lords Commissioners of H.M. Treasury having transferred to the Commissioners of H.M. Works and Public Buildings the charge of all the lands, buildings, furniture, and other property belonging to H.M. Government at the several Treaty ports in China and Japan, it is desirable that the following Rules and Regulations should be observed in the charge, use, and occupation of the said properties.

H.M. Ministers, Consuls, Vice-Consuls, Judges, Assistant Judges, and other Heads of Departments, who respectively have the use and occupation of buildings, furniture, or other property belonging to H.M. Government, are to be deemed officers in charge thereof, and to be responsible respectively for such charge in the manner prescribed by these Rules:—

*Registers of Properties.*

1. All freehold, leasehold, and other Government properties at or in the respective Legations are to be registered in the Office of Works at Shanghai.

*Inventories of Furniture, &c.\**

2. At each Legation, Consulate, Vice-Consulate, and at the offices of the Chief Judge and the Assistant Judge, is to be kept a Register of buildings, lands, furniture, &c., containing a complete description of the lands and buildings, inventories of the furniture and other properties belonging to the Government, and copies of all Circulars relative to the management of the same.

*Liability of an Officer pending Appointment of a Successor.*

3. On the removal of an officer in charge from a station, his successor is to examine, sign, and date the Register, and to become responsible for its correctness, and for the safe custody of the property until he shall be relieved of his duties.

*Periodical Examination of Registers by Assistant Surveyor of Works.*

4. The Registers at the several Treaty ports are to be periodically examined and checked by the Assistant Surveyor of Works and the officers in charge, who are directed to afford the Assistant Surveyor every facility in making periodical examinations of the Government property and in verifying the Registers.

*Boundaries of Properties.*

5. Where any doubts exist as to the actual extent of the Government lands at any of the ports, the officers in charge are to have the boundaries clearly defined, and to take care that they are not interfered with.

*Interference with Properties.*

6. Officers in charge are also to take means (or in case they are unable to do so, to apply to H.M. Minister and to the Assistant Surveyor for aid) to prevent the public bodies, municipalities, or

private individuals from carrying out works, such as drains, roads, buildings, warehouses, bunds, piers, &c., which may directly injure or encroach upon any of the rights appertaining to the property of H.M. Government.

*Every Building to have a fixed name.*

7. Every building is to be known by a fixed name, which is not to be changed without the knowledge of the Assistant Surveyor at Shanghai, who is to report the change to the First Commissioner of Works.

*Custody of Properties.*

8. The officer in charge at each station is to be held responsible for the safe custody and the proper use of the grounds and buildings belonging to the station.

*Unoccupied Buildings.*

9. When any building is unoccupied, the officer in charge at the station is to see that it is kept fit to receive a new occupant.

*Change of Officers.*

10. On the removal of an officer from any station the officer left in charge is to take over and deliver up the Government property to the incoming officer, each officer noting in the Register the actual condition of the buildings, offices, furniture, and other property when the respective transfers are made.

*Non-occupation of Buildings, &c., by Non-authorized Persons.*

11. No buildings or premises are to be occupied or used by persons who are not entitled to be provided with accommodation at the Government expense without the previous sanction of the First Commissioner of Works.

*Non-alteration of Buildings, &c.*

12. No alterations in the buildings or properties are to be made, or the uses for which they were originally intended to be changed, without previous communication with the Assistant Surveyor.

*Proposals for New Buildings, Purchase of Property, or other Services.*

13. All proposals for new buildings, purchases of property, lodging allowances in lieu of house accommodation, and purchases of furniture, must be sent, immediately the necessity arises, to the Assistant Surveyor at Shanghai, and in time to admit of proper reference to the First Commissioner of Works.

*Sudden Emergencies.*

14. The Assistant Surveyor will be authorized to act without the previous authority of the First Commissioner in case of sudden emergencies, but only on condition that officers in charge report to the Assistant Surveyor all the circumstances of the case immediately the necessity arises.

\* All Government Officers concerned are to send on the 1st January in each year to the Board's Architect at Shanghai a certificate that the articles of Government property in their charge have been checked and found correct, and that a note has been made on the inventory to that effect. A duplicate certificate to be sent to the Legation at Peking and Embassy at Tokio respectively. (Office of Works, Nov. 17, 1909.)

(China and Japan.)

*Treasury Sanction for large Expenditure.*

15. Proposals involving large expenditure are to be sent to the Assistant Surveyor at Shanghai by or before the month of October, in order that they may be submitted to the First Commissioner in time to obtain Treasury authority for including the cost thereof in the annual estimates for the following year.

*Non-purchase or Hire of Houses, &c., without sanction.*

16. No houses or premises are to be purchased or hired without the sanction of the First Commissioner or the Assistant Surveyor.

*Form of Application.*

17. Applications for purchasing or hiring premises are to state: the situation, extent, and value of the premises; reasons for having made the selection; intended appropriation; amount of rent, conditions of hiring, &c.; length of term proposed; state of repair; whether the proprietor will undertake to keep the premises in proper repair; probable cost of making any alterations which may be required, and whether the proprietor will pay for making the alterations; and no liability for expenditure is to be incurred without the previous approval of the Assistant Surveyor.

*Claims for Lodging Allowances.*

18. Claims for lodging or house allowances are to be accompanied by a full report from the officer in charge of the station, explaining the necessity for granting the allowances. It will then be the duty of the Assistant Surveyor to ascertain and certify that the claim is fair and reasonable, and that by granting the allowance the most economical course has been pursued.

*Assistant Surveyor's Responsibility.*

19. The Assistant Surveyor of Works is to be held responsible for the proper repair and maintenance of all the Government buildings and properties under his charge, and he is to take steps to prevent unauthorized works being executed without his sanction, reporting the circumstances to the First Commissioner of Works.

*Office of Works to pay for Offices.*

20. The Assistant Surveyor of Works will pay out of the amount allowed for incidental services the cost of urgent ordinary tenants' repairs for offices used for public business, if executed by order of the officer in charge of the office, provided the cause and nature of the repair is reported to and approved by the Assistant Surveyor when the claim is presented for payment.

*Office of Works to pay for all Landlord's Repairs.*

21. Government fittings and fixtures, whether in residences or offices requiring repair, arising from fair wear and tear, may be repaired or replaced by the officer in charge of a residence or office, provided he previously obtains the sanction of the Assistant Surveyor to effect such repairs. In very urgent cases of repairs, the officer in charge of a residence or office may effect the repairs of fittings and fixtures before receiving the Assistant Surveyor's sanction, provided the officer reports the circumstances of the case immediately the necessity arises. The Assistant Sur-

voyor is then to ascertain and certify to the First Commissioner of Works that the repairs were absolutely necessary, and that the prices charged for them are fair and reasonable.

*Residents to pay for ordinary Tenant's Repairs.*

22. Officers in charge of residences are to be responsible for keeping them in a tenantable condition, and to pay for the current household repairs ordinarily paid by a tenant, such as replacing broken glass, repairing locks and keys, repairing and hanging bells, replacing catches and hooks on Venetian shutters, windows, and doors; easing and rehanging shutters, windows, and doors, and repairing and resetting grates: provided always, that when the Assistant Surveyor shall, on periodical inspection, consider that such are required in consequence of ordinary wear and tear, he shall have authority to cause them to be executed at the public expense.

*Urgent Repairs.*

23. Officers in charge of properties or buildings which may be damaged by storms or other casualties, may order small or temporary urgent repairs to be executed at once; but where the damage is extensive, and the outlay required for permanent works will be large, the officer in charge is to obtain the advice and sanction of the Assistant Surveyor before ordering any permanent works to be executed.

24. In all cases of urgent repairs arising from storms or other casualties, officers in charge of properties of buildings so damaged are to report their reasons fully to the Assistant Surveyor for having expended money upon temporary repairs, or for proposing to incur expenditure upon permanent works.

*Payments for works done by Officers in charge.*

25. Payments for works previously authorized, and for urgent repairs sanctioned by the Assistant Surveyor, and executed by order of the officer in charge of any building, are to be made from the Legation or Consular chest, and the amounts so paid will be refunded by the Assistant Surveyor upon receiving duly signed vouchers, in duplicate, made out on the proper official form.

(Proper forms for the vouchers will be supplied upon application to the Assistant Surveyor of Works at Shanghai.)

26. Vouchers for repayment should be despatched in time to reach the Office of Works at Shanghai at such date before the end of each quarter as will admit of the amount being refunded at once. At stations where it is impossible to supply vouchers to and receive payment from the Office of works before the close of the quarter in which the repairs or works are executed, payment for such repairs or works should be deferred until the subsequent quarter, in order that no entries may appear in the Consular accounts for advances from the Consular chest on account of the Office of Works.

27. All money\* paid by officers in charge of properties or buildings in any other currency than dollars must be entered in the vouchers in dollars.

*Cooking-stoves and cooking ranges.*

28. \*Fixed ranges, where not already provided, will gradually be installed by the Office of Works, but the
